

SELF PUBLISH YOUR BEST SELLER

with Aditi Wardhan Singh

Create a quality book that is strong in message AND content.

Write Your Book

I work with you on your idea, story development, and confirm if you have a viable book for the market.

Launch Your Book

Give your book a great start by launching a best seller and get those reviews going.

Market Your Book

More eyes on your book mean more sales. Tips and strategies tailor made for your book.

Developmental Editing | Line by Line Editing | Recommendations for Publishing Services | Step by Step Assistance through the Publishing Process | Launch Strategy | Marketing Tips | Support through RWC

Get support from someone as invested in your book as you.
